History

Council 974 donated a flag pole to the new McDonald Central High School in March of 1965. Now all four Catholic schools in Chippewa Falls have flag poles donated by Goldsmith Council 974.

Each year our Council sponsors a boy to Badger Boys State.

Twice a week Council 974 provides transportation for the nuns to give religious instruction to the patients at Northern Colony and Training School.

Our Council sponsors a baseball and a softball team in the summer and we enter them in the city league and tournament.

Bowling teams are sponsored by us to the state Knights of Columbus tournament. 1972 State Bowling Champions. 1972 Winners of the Columbian Award.

Finally our Brothers participate on two Sundays a year in a trip to Veterans Hospital in Tomah to take wheel chair patients to Mass.
