HISTORY

Council and community activities: A New Year's Eve Party is held annually. The Annual Wives Night is usually held on Valentine's Day. It honors the wives of the members and deceased members.

Annual Awards Night is a banquet which honors the priest and nuns of Chippewa Falls.

Our council participates in the annual Drive to Aid the Mentally Retarded. Community masses are held, one in each of the three churches.

Each year our council sponsors the sending of a high school boy to Badger Boy's State.

The annual children's picnic and steak fry are held at Irvine Park.

Bingo is usually played twice a month, October through April. The money is donated to three Catholic Grade Schools, and one Catholic High School.

From October to March, a mixed couples bowling league is held on Sundays.

Our major fund-raising project is the Hunter's Stag Party held in November. It is open to the public.

The council displays an annual Christmas poster, sponsored by the Chippewa Falls Savings and Loan, and there is a children's Christmas party held for all the members children and grandchildren.
