

## “Keep Christ in Christmas” yard signs

The “Keep Christ in Christmas” yard sign campaign is sponsored by the Knights of Columbus Goldsmith Council 974. The purpose is to remind people what Christmas is really about. We are inundated with all the Christmas trappings of decorating our homes, buying presents without thinking why we have this yearly celebration. With these signs may it be a reminder why we are here and having God’s presence in our lives. The custom designed artwork is unique and eye-catching, 12” x 24” in size and printed on coroplast sign material. The signs are given away each year during the Advent season and can be picked up at Catholic churches in the Chippewa Falls area. The “Keep Christ in Christmas” slogan was coined right around the year 1920 by an organization of young Lutheran men and woman called the Walther League.
